ALERT: Neo-Nazis at Quality Inn Hotel in Bremen, Georgia

We have verified that many neo-Nazis from the National Socialist Movement – [visiting our state for their national meeting at the Georgia Peach Oyster Bar in Temple/Draketown plus a public rally in Newnan](#) – are currently staying at the Quality Inn at 1077 Alabama Ave S in Bremen, Georgia.

Neo-Nazis at Quality Inn in Bremen

We have notified Quality Inn in Bremen about the bookings made by National Socialist Movement members for the weekend. Nazis have arrived and are arriving at the hotel.

The Nazis hosted by Quality Inn in Bremen pose a danger to hotel workers, as well as to people in the Bremen area. Additionally, Quality Inn is facilitating the Nazi show of force in Newnan, Georgia on Saturday by hosting rally participants.

The National Socialist Movement is part of the broader “Nationalist Front” white supremacist coalition. Nationalist Front members were at the forefront of the racist violence at “Unite the Right” in Charlottesville, Virginia in August. [In October, Nationalist Front members \(this time with the “Traditionalist Worker Party”\) assaulted an interracial couple at a pub in Tennessee after a dismal “White Lives Matter” rally in that state.](#)

[Presently, the National Socialist Movement is stating that its members will be “weaponized to the teeth” for their weekend of activity in Georgia.](#) It is likely that

many of the NSM's weapons are being stored in Quality Inn Hotel rooms in Bremen or in vehicles parked outside.

We are asking all concerned community members to directly contact the Quality Inn in Bremen and Choice Hotels, which operates the Quality Inn franchise. Ask them why they are endangering locals, other hotel guests, and Georgia residents by accepting multiple bookings from notorious neo-Nazis this weekend. Request that they eject the Nazis from their space.

If you need to preserve your privacy when reaching out, remember that you can call *67 before dialing to block your phone number.

This is a very good article: well-written and attention paid to details which help people opposed to the fascist menace.
